

# CUSTOM SCREEN PRINTING REVIEW & POLICY

## Design Review & Approval Process:

- Before proceeding with production, we require the customer to review the design proof carefully. If any changes or adjustments are needed, we can make modifications before final approval. Once the customer confirms that they are satisfied with the design, they must reply with written confirmation stating they approve the design, date and wish to proceed with the order.
- By approving the design, the customer acknowledges that all elements, including spelling, design placement, and colors, are correct. Once approved, no further changes can be made, and the design will proceed to production as confirmed.

## Custom Screen Printing Policy:

- **No Returns or Refunds:** Due to the nature of custom printing, all approved orders are final and non-refundable once production begins.
- **Production Timeline:** Orders are processed based on our current production schedule. Rush orders may incur an additional fee.
- **Design Ownership:** Any designs re-created or modified by us remain the property of our business until full payment is made.
- **Color Variations:** Slight variations in print color may occur due to different fabric materials and ink blending.
- **Deposit Requirement:** A deposit must be collected after approval and before production starts. Orders will not proceed to printing until the deposit is received. A 35% deposit **MUST** be collected from the full amount to start the production process.
- **Fabric & Pricing Adjustments:** Prices listed apply specifically to Gildan brand shirts. If a different fabric or clothing brand is requested, pricing will vary based on material costs and availability.

**TAX MUST BE COLLECTED ON ALL ORDERS DEPENDING THE STATE OF PURCHASE.**
